

Community Builder Network

A membership community for organizations called to serve adults with disabilities. You are not alone in this work.

What's Included in Your Membership

1. Every-Other-Month Virtual Calls

Virtual gatherings where member organizations come together to learn, share, and support one another. Each session is designed to be practical, encouraging, and grounded in real-world experience serving adults with disabilities.

2. Guest Experts & Peer Spotlights

Hear from practitioners, thought leaders, and fellow Community Builders doing meaningful work. Whether it's a peer organization sharing what's worked (and what hasn't) or an outside expert bringing fresh perspective, each session adds real value to your journey.

3. Best Practices Exchange

A structured space to share what's working in your organization and learn from others navigating similar challenges. Because the best ideas often already exist — in the room next door.

4. Member Directory

A directory of Community Builder Network members to foster peer connections, collaboration, and encouragement. Find organizations near you or in similar ministry stages to share ideas and build relationships beyond the calls.

5. Recap Notes & Recordings

Can't make every call? No problem. Members receive recap notes and access to session recordings, so you never miss the conversation — and can revisit key insights at your own pace.
